

The Managing Director of Civcorp Pty Ltd has adopted the policy of providing a quality construction service to all customers in the form requested by them.

The commitment is to produce finished work that is fit for purpose, gives customer satisfaction, and meets all the specified requirements including delivery times and verification records.

The company will operate in a safe and environmentally responsible manner with maximum efficiency using best practice methodology.

The company will conform to all relevant laws, statutory and regulatory requirements and act with due regard to the interests of all stakeholders.

This will be achieved by complying with the requirements of a quality management system that conforms to AS/NZS ISO 9001:2008.

This policy includes a commitment to continually improve the effectiveness of the quality management system through an established and documented system of reviewing quality objectives.

All company staff will be instructed in the intent and implementation of the policy and the policy will be displayed at all company workplaces.

The policy will be reviewed annually by senior management to ensure its continuing suitability.
