CARINITY AGED CARE Brookfield

Carinity Aged Care offers residential aged care in a quiet semi-rural setting in the western suburbs of Brisbane.

This project involved earthworks, stormwater, installation of pipes and culverts and construction of a new internal road network and a number of associated rock walls and building pads.

One of the complexities of this project was that it involved working on' live' road constructed along an active creek surrounded by an operating aged care facility.

Civcorp met this challenge and successfully completed the project on time.

This project was awarded to Civcorp by Paynter Dixon (QLD) Pty Ltd following a successful working relationship and happy client for the past 10 years.
